to EPA's 104(e) Request

Mr. Hembree:

This email is to advise you that EPA has received your request for an extension of an additional week's time to respond to the Agency's 104(e) letter. Please be advised that your request is hereby granted. EPA anticipates receipt of a response on behalf of your client, Parker Drilling, no later than September 11, 2003, and that no additional request for an extension will be necessary.

Subject: Gulfco Marine Site; Parker Drilling Offshore Company's Response to
EPA's 104(e) Request

Barbara:

As we discussed over the phone today, Parker Drilling Offshore Company's ("Parker's") response to EPA's 104(e) request regarding the Gulfco Marine Site is due this Thursday, September 4, 2003. We just received in the mail EPA's response to our FOIA request for information concerning this Site. We request an extension to Parker's time to respond to EPA's 104(e) request so that we can review the FOIA responses from EPA and so that Parker can incorporate that information into its response to EPA's 104(e) request as necessary. We believe a one week extension, making Parker's response date September 11, 2003, would be sufficient.
